Model Policies ← Policy # 803

Mandated Policies

Policies 1 - 15 are mandated for every law enforcement agency. The agency's policy must be identical or substantially similar to the POST model policy.

Policies 16 - 19 are mandated only if the subject matter of the policy applies to the agency. The agency's policy for #16 must be identical or substantially similar to the POST model policy. Policies 17, 18, and 19 do not have model policies. The policy adopted by agencies that utilize the subject matter covered in these policies must include all of the required legislative requirements pertinent to that policy.
